

RSSL Roadshow

Allergens in a Nutshell

18 March 2010

Daventry

A **FREE** seminar for the Food,
Drink and Related Industries

A unique networking opportunity to learn more about
allergens and allergen management including:

- Legislation and industry best practice
- Clinical developments and emerging allergens
- Sampling and analysis best practice
- Allergen management strategies

Allergens in a Nutshell

RSSL is a global leader in analysis, technical support and training for the food, drink and related industries.

On **18 March**, we will be hosting an event to showcase and share our expertise, knowledge and analysis capabilities with respect to allergens.

This interactive seminar will focus on the issues relating to allergens, their control, analysis and management and will provide a valuable insight into industry best practice. In just one morning you will acquire an overview which will enable you to assess your allergen risk including:

- Legislation and industry best practice update
- Clinical developments and new emerging allergens
- Risk assess your process
- Sampling and analysis for meaningful results
- Allergen management strategies

During and after lunch you will have the opportunity to network with fellow industry professionals and our expert team to discuss current industry issues and share ideas.

Book early to guarantee your place.
