

RSSL Pharma Discussion Forum Method Validation Know-How

5 May 2010

Reading

A **FREE** half day forum for the Pharmaceutical, Biopharmaceutical, Healthcare and Personal Care Sectors

A unique networking opportunity to learn and discuss method validation and how we can help you.

Topics include:

- Why validate?
- Protocol development
- Scope
- Technical worked examples

Method Validation Know-How

RSSL is a global leader in analysis, technical support and training for the pharmaceutical, healthcare, and personal care industries.

On **5 May**, we will be hosting an event to showcase our expertise and knowledge of method validation.

This interactive discussion forum will focus on the challenges related to method validation and provide a valuable insight into best practice and avoiding pitfalls. In just one morning, you will acquire an overview of method validation including:

- Regulatory requirements
- What a good validation protocol looks like
- Validation protocol scope
- Practical application with different analytical techniques

During and after lunch you will have the opportunity to meet fellow industry professionals to discuss current industry issues and share ideas.

Book early to guarantee your place.

Programme
