In-House Training at Your Site

All of the courses on our open course schedule can be run for you on your site or at another location of your choice.

Our extensive base of industry specialist tutors and consultants means that we can design and run a bespoke course or provide consultancy support dependent on your needs.

Areas we have supported our clients in recently include:

- Inspection Preparation
- Managing GMP Compliance
- Failure Investigation and CAPA
- Pharmaceutical Cross Contamination Issues
- Advanced Swabbing
- Organisational Culture Issues for Senior Management
