

FOOD E-NEWS

FREE
SUBSCRIPTION

Interested in keeping up to date with the latest scientific and technical food industry news?

Food E-News is a FREE information service from RSSL. Our highly popular FREE monthly newsletter brings you the latest scientific and technical food industry news, plus a roundup of relevant food-related EU legislation as well as UK and global product recalls.

In a browsable and easy-to-read format, subscribers are alerted by email of the latest news. If you want to know more, you just click on the link in the mail which takes you to the full story on the Food e-news section of the RSSL website.

How to subscribe to Food E-News

Visit the Food e-news page on the RSSL website - <https://www.rssl.com/news-and-events/food-e-news> and fill out the subscription form or email enquiries@rssl.com
